How the Lifestyle Awards recognise excellence in person centred care practices among staff and volunteers CCHS.

Dignity Award
Treating consumers with dignity and respect, assisting them maintain their identity. Facilitating consumers to make informed choices about their care and services and live the life they choose.

Team Work Award
Collaborating with consumers in ongoing assessment and planning that helps consumers get the care and services they need to maintain health and wellbeing.

Independence Award
Giving consumers the services and supports that are important for their health and wellbeing and that enable the consumer to do the things they want to do.

Care Award
Practicing person centred approaches in care that is safe and right for the consumer.

Safety Award
Has supported consumers to feel they belong and are safe and comfortable in the organisation's service environment.

Advocacy Award
Encouraged consumers to give feedback and make complaints. Keeping consumers engaged in processes to address their feedback and complaints as well as facilitate appropriate action is taken

Education Award
Demonstrates giving quality care and services to the consumer and seeking knowledge or training and remaining capable in your role.

Dependability Award
Has inspired confidence in the consumer that the organisation is well run. Facilitating the consumer to be a partner in improving the delivery of care and services.

Fill out the nomination form at the DT Office or see Jade the Lifestyle/Volunteer Coordinator.
