

Education:

Hour to empower

Immerse yourself in our dynamic 1-hour education sessions to enhance recreational therapy programs. Our expert-led sessions are designed to empower and support your practice, one hour at a time. Each month adds to your toolbox, exploring a variety of topics and applications in your program.

| Month | Presenter | Topic |
|------------------------------|-----------------|--|
| Wednesday 3rd July | Kim Bromley | <p>Resources to support cultural diversity</p> <p>To define the concepts of diversity, inclusion, and cultural safety, before exploring resources, guides, and links to support the leisure and lifestyle team.</p> |
| Tuesday 6th August | Michael Murgolo | <p>Volunteers as resources for your program</p> <p>To ensure human resources are well supported and appropriately matched.</p> |
| Monday 19th August | Kim Bromley | <p>Behaviour plans and progress notes</p> <p>Explore examples of progress notes and how these can help to support behaviour management plans.</p> |
| Wednesday 9th October | Kim Bromley | <p>Programming with Montessori principles</p> <p>To understand Montessori principles and how to incorporate them into your program.</p> |
| Friday 18th October | Emma Preston | <p>Community resources to support integration.</p> <p>To incorporate a range of ideas for clients to integrate and access community resources.</p> |
| Thursday 7th November | Adam Wilson | <p>Adaptive equipment for leisure</p> <p>To increase knowledge of adaptive equipment and funding options available.</p> |
| Monday 18th November | Kim Bromley | <p>Program planning for the year ahead</p> <p>Plan a well-balanced program for the year ahead and how to provide evidence that residents have input.</p> |
| Friday 6th December | Emma Preston | <p>Socialisation and peer support programs</p> <p>To develop programs inclusive of socialisation and peer support.</p> |
